Dear Parents and Carers

Re: Remote Learning Update

As we approach the end of the second week of remote learning, I just wanted to provide a brief update.

The vast majority of students are engaging very well with remote learning. We have been impressed with the high quality of work produced. Some of this work is displayed on our website every Thursday as part of our Proud Thursday reward programme. [Proud Thursdays | The Vale Academy](#) or via Twitter @TVABrigg. I would like to thank all parents and carers for your ongoing support with home learning. If you do have any questions or require support with ICT, please contact the academy either by e mail via info@valeacademy.org.uk or by telephone (our switchboard is currently open Monday- Friday between 8.30-15.30).

If your child is eligible for free school meals, please be advised that, with effect from Monday 18 January through to the end of this half term, we will be issuing vouchers through the Edenred Scheme and further details will follow in due course.

I hope that you and your families remain safe and well.

Yours faithfully
