Dear Parent/Carer

Re: Uniform and Make-Up

Today, we have reminded students about the need to wear uniform correctly and we would appreciate your support in ensuring that your child wears appropriate uniform to the academy.

Uniform

A number of students are wearing inappropriate trousers/trousers that are not regulation length. Academy trousers need to be smart 'school trousers,' not leggings, jeggings or jeans and they should not be so short that ankles can be seen. Please refer to The Vale Academy uniform policy, which can be viewed on the Uniform section (under Information) on our website www.valeacademy.org.uk/uniform the policy document can be found at the bottom of this page.

Make-up

Students have been warned, on numerous occasions, about wearing excessive make-up, however, due to the increase in the number of students now wearing make-up we will, with immediate effect, adopt the Delta Trust policy of not allowing any make-up. Please ensure that your child does not wear make-up or bring make-up to the Academy.

May we also take this opportunity to remind parents/carers that extreme hairstyles and colours are not permitted at the academy in years 7-11.

We very much appreciate your support in ensuring that our uniform policy is adhered to, including correct uniform trousers and no make-up.

Yours sincerely

Mrs N Williams
Principal

Mr A Collins
Vice Principal
