Dear Parent/Carer

**Re: Y11 Prom**

As you will be aware, we have been able to rearrange the date of our prom to Wednesday 21 July. Clearly whether we are able to hold the prom is dependent on current Covid restrictions being lifted on 19 July and, if there are restrictions which remain, whether we can safely run the prom.

Hemswell Court have also advised us that, owing to the pandemic, spectators will not be allowed this year. So, unfortunately you will be unable to visit the venue to see your child arrive. Parents who are dropping their child off at the venue will still be able to do so. I am sure you will understand the reasons for Hemswell Court reaching his decision.

I will contact you on Tuesday 20 July with final details.

Yours sincerely
