Dear Parent/Carer

Re: Y9 Options Evening: Thursday 07 March 2024, 6pm

I am writing to invite you and your son/daughter to attend the Y9 options evening on Thursday 07 March. The aim of the evening is to provide parents/carers and students with as much information as possible about both the options system and the curriculum. It will also mark the formal start of the options process.

The evening will begin at 6pm with a brief presentation in the main hall to outline the options process and the curriculum model. From 6.15pm onwards Curriculum Leaders and their staff will be available to provide more detailed information about the courses we offer and to answer any questions you may have. An advisor from our careers information provider, Progress Careers, will also be available.

In addition, if you wish to discuss the options further or have very specific questions, there is the opportunity for an appointment with a senior member of staff.

I hope you will be able to attend; should you require any further information prior to the evening itself, please do not hesitate to contact me.

Yours faithfully
